

ENVIRONMENTAL POLICY

Health, Safety and Environmental Policy

EAGLERISE MALAYSIA SDN BHD is fully committed to the conservation and protection of the Environment and to promote and guarantee the Health and Safety throughout our Business activities, our Employees, our Products and Services.

To execute this policy successfully, **EAGLERISE MALAYSIA SDN BHD, DEG INDUSTRIAL SUPPLIES SDN BHD and HIGH-BEAM LIGHTING (M) SDN BHD** shall follow the following guidelines:

- Implement Health, Safety and Environment management system according to the current legislation
- Ensure that all plant, equipment, storage and work processes are safe and without risk to health and safety
- Take effective actions to maintain a healthy and safe working environment by constantly plan, develop and monitor health and safety program
- Provide all the needed resources and training for occupational health, safety and environment activities to our Employees
- Protect the Environment by preventing where possible and controlling the release of pollutants to air, water and land
- Making Health, Safety and Environment culture a natural part of Employees work's routine

The Health, Safety and Environment policy is subjected to periodical reviews to ensure continuous improvement. The cooperation and commitment from all our staff is essential to ensure the success and development of this policy.

This policy used as the framework setting for establishing and reviewing the Environmental Objectives, shall be communicated and understood and shall be reviewed for continuing suitability.

We are committed to prevent pollution through our energy saving product and committed to fulfil all the compliance obligation.

Yours Sincerely,
EAGLERISE MALAYSIA SDN BHD
